An interview was conducted between the undersigned and Examiner Fenty on November 14, 2005.

Claims 38 and 42 were discussed as asserted by Applicant in its last filed response. With respect to claim 38, and subject to the Examiner's further searching, it was agreed that changing "received over" to "received directly over" in line 7, and changing "container-shaped portion being" to "container-shaped portion of the storage node being" in line 15 rendered claim 38 allowable over at least Kwok. With respect to claim 42, and subject to the Examiner's further searching, it was agreed that changing "received

over" to "received directly over" in line 12 rendered claim 42 allowable over at least Kwok.

The undersigned is agreeable to the Examiner making the above amendments by Examiner amendment.

Respectfully submitted,
